Other important information:

Roster/Guest numbers: If you have not provided me with your roster/guest number, I gently remind you to do so in the next few days. This weekend, we will be submitting invoices for Player Fees.

Registering Players late: You can register players (max 20) and guests (no limit) until October 5th.

However, late registrants may not receive a player pack, as we are ordering them early in September.

Roster: In the next few days, you will receive a link from our tech department to register your roster.

I believe that's it for now.

Wishes of a fantastic week with lots of sand and flying plastic,

Sofia
