Hi Jonas,

Can you believe that WGGMBUCC is just three weeks away? How exciting! We are very happy that you and the entire West Coast squad are coming to Portugal.

Today, I am contacting you with some important info. This will likely be my second to last email to you – and although I know you are busy, please read carefully and respond by Sunday October 6th if you have any comments.

Action Points

Updated Seeding, Competition Format & Schedule

I would like to thank you for the feedback on the seeding and competition format. We have seriously considered every comment in the current revisions.

This year, the seeding has been particularly difficult – probably for the best reasons: Beach Ultimate is developing worldwide in the GGM division. Anyway, please be aware that we cannot please everyone and that a lot of thought and discussion has gone into the revisions.

The link below shows the updated seeding, competition format, and schedule. Field numbers may change based on feedback from Ulti.tv. The final schedule will be published on the live website (I will share that with you about a week before the event).

Volunteer Gifts

We will have close to 20 volunteers at WGGMBUCC – and they have a key role in guaranteeing the success of the event, including the live scoring. Please consider bringing them a small gift from your nation – to be dropped off at the main tent. All the gifts will be numbered and sorted to give to each volunteer at the end of the event.

Training and Friendly Games – Booking a Field

Please use this google sheet to book fields for practices and games. This is not part of the event, so please make sure you take water and be aware that there is no first aid onsite.

More important info

I will send you an email the week before the event with more details about the points below.

WGGMBUCC News & Live

All important information such as field changes, schedule changes, live scoring, etc will be available Live on the News and Live links. I will share those with you one week before the event as well as promote them on social media.

Rosters and Outstanding Fees

A number of teams have asked for changes in their rosters due to injuries, etc. All outstanding fees and injury refunds will be taken care of in cash at the onsite registration.

I will include details of any outstanding fees in my last reach out to you one week before the event.

Please be aware that refunds are only available with a doctor´s note stating that the athlete in question cannot play (bring a printed copy please).

SOTG

Your Spirit of the Game scoring link is available on the online registration system. In my last email, I will include details and information about SOTG and how to score your games. For those teams that have not defined a SOTG Captain, the email will be sent to the Team Manager (you).

Ok, I think that´s it for now 😊 Tomorrow, I will be moving onsite to help build the tourney and will be less available online. Please be patient if I don´t respond as quickly as normally to emails and keep in touch on social media (mostly through Insta Stories).

Wishing you a great day and looking forward to seeing you in person soon,

Sofia
