

WGGMBUCC 2023

Team Photography

Capture WGGMBUCC 2023 memories !

with [Robert Engelbrecht](#), your passionate Ultimate photographer.

A **limited number** of Team Photo Packages with dedicated game shoots are available as I will also be playing in this tournament.

16 teams could be competing at WGGMBUCC 2023 and I will be striving to get good coverage of all teams interested. The schedule will be "GGM hectic" and the action exciting!

Some of my individual Ultimate event images can be seen here: (links to web pages)

Team Photography

WGGMBUCC 2023 Team Package at **€200 EUR**(or **\$220 USD**) Include:

- **Dedicated game shooting** during *one full* game or *two partial* games.
- **No less than 30 full resolution images** for the entire team to download from the **team gallery** of professionally taken and edited game shoot photos (Personal Use license only).

Request your team's dedicated game shoot by emailing me at photos@robmac.ca to book your reservation. Respond to my reply with your payment of **€200 EUR** (or **\$220 USD**) via **Paypal** to photos@robmac.ca (invoice can be provided). I will have limited capacity to do dedicated shoots at this event . SO . .

Commit as soon as you can to ensure you'll have photos to remember your experience by :)

Process:

- The team can provide a preference list of games for their dedicated team shoot, with final choice subject to scheduling constraints and priority based on team package commitment order.
- I will select and edit all usable photos from the dedicated game shoot (plus, at my discretion, some additional photos from other games the team is in).
- The downloads are *Personal Use license* only, contact me for any Commercial Use license requests. All photos will be **individually edited** including professional cropping with color and exposure correction.
- The dedicated game shoot photos will be available for download off my [SmugMug](#) hosted [website](#) in a **special, dedicated, no charge team gallery** that the whole team can easily use to individually & repeatedly download the shots for eight weeks after the event.

See you in Sardinia
