Hello dear Jonas,

I hope you are well and looking forward to an amazing event in a few weeks - can't wait to see you and the rest of Westcoast in Sardinia!

Please read this email carefully, as it contains important information for you and your team.

### Schedule

The main criteria for field selection during Pool Play was to guarantee that all 16 teams are broadcast during Pool Play. After Pool Play, fields may change based on Ulti.tv's feedback.

### Roster Registration

The roster registration system is now locked unless otherwise requested by team admins. However, players still access their profile and add data, click the waiver, and add their rules certificates.

At this point, there is still data missing from some players – dates of birth, etc. **Please make sure your entire roster has completed their data, added the rules certificates, and clicked the waivers on the system by September 10<sup>th</sup>.**

On September 10<sup>th</sup>, all rosters will be permanently locked until the event. If you have cancelations and want a refund, you must bring a doctor's certificate to registration in Sardinia.

## Onsite Registration

Onsite Registration will be at the beach on Tuesday September 19<sup>th</sup>, starting at 18h. Next week, I will send you an email with a SOTG scoring link and the total amount due to bring in cash to registration to pay for pre-ordered discs, 9UP merchandise, and/or players added to the roster after player fees were due.

## Photography

Robert Engelbrecht will be offering a limited number of Team Photo Packages with dedicated game shoots. Check out the details on the attached document and contact Robert directly if you are interested.

I believe that's it for now...

Have a great day and thanks for all your work organizing Westcoast,

Sofia
